

Web Developer Java / PHP

Experience	April 2012 – Present ACTIVAMENTE Sr Developer, expert in technology and innovation <ul style="list-style-type: none">WebApp Development Front and Back-End with Java 1.5, Spring and Hibernate with the MVC pattern. Maintaining development environment with SVN and Maven.Layout, design and development of JS, AJAX, JQuery, CSS and PHP. Administration and development with Wordpress. Development plugin for WP, themes and design customization.
	January 2011 – February 2012 MOBALIS Sr PHP Developer / IT Manager, Social Media Marketing <ul style="list-style-type: none">Social projects and applications integration with Facebook and Twitter for social media campaigns, implementation SEO for search engine optimization. AJAX and JQuery implementation for dynamic search pages. Using API in FB and TW viral strategies to Fan Pages. Red Hat server management, content update pages, Web Master of several pages at once.
	June 2010 – December 2010 MAXCOM TELCOM Sr J2EE and J2SE Developer (Distributed Accounting) <ul style="list-style-type: none">Project Interface compatible with SAP billing and accounting modules Distributed Collection and Payment. Using EJBs, WebServices, PHP, MySQL and Oracle 9i StoreProcedures.
	March 2006 – May 2010 BBVA Systems Architecture Systems Engineer (Corporate Architecture) <ul style="list-style-type: none">Analysis, Design, Development, Support TAM architecture and design, Arq., Developing and maintaining operations in Java Web applications, EJBs and WebServices development of general purpose for the architecture, data management through the use of Hibernate POJOs for data management, monitoring regional Nacar projects. Design on Regional Project PIBEE. Development and presentation modules support with Struts and Spring MVC implementing the change.
	May 2002 – February 2006 La Salle University LCI Project Leader <ul style="list-style-type: none">Designing graphical user interface (GUI) for Simed and Chair.WEB Application Management and Application ServersSimed project, handling graphics in Java, and compiler.Project Chair, with technology and management Servlets JSP and Database Connection, Connection Pool and content management files.Managing Databases and Oracle Administration.Site Restructuring, wiring and configuration of IP addresses.

Technical Skills	General Technology Knowledge <ul style="list-style-type: none"> ▪ HTML 5.0, JavaScript, AJAX and JQuery in using dynamic pages, 2 Advanced CSS, CSS3, JSON data sharing between services. ▪ CMS: Joomla, Wordpress. ▪ APIs: Facebook, Twitter, Google Maps, Google Analytics, Unity, Vuforia. ▪ PHP 5.2 Advanced, Object Oriented, MVC-oriented libraries. ▪ FrameWorks CodeIgniter, Joomla. ▪ Apache Web Server LAMP and WAMP environments. ▪ MySql, Access, Oracle9i Administration, Administration PostgreSQL8.0. ▪ XML, DTD Advanced. ▪ Administration, installation and configuration of LDAP (IBM and SUN), JNDI ▪ Administration, configuration and installation of TAM (Tivoli Access Manager, WebSeal 4.0) ▪ Administration and Configuring WebSphere 6.0 for Web applications with Apache 4.0, settings. ▪ Using JNDI connection library ▪ Unix or Linux environments, administration and programming scripts. ▪ JNLP and Java Web Start ▪ Advanced J2SE 1.5, NetBeans IDE 6.7 and Eclipse 3.1 ▪ Intermediate J2EE, JSP and Servlets ▪ JDBC - ODBC (Communication Databases) ▪ Hibernate for J2EE Web applications
Education	2001 – 2005 La Salle University. <ul style="list-style-type: none"> ▪ Cybernetics and Computer Systems Engineering: Titled 2005 ▪ Thesis: Political and security best practices for businesses. 1998 – 2001 Simón Bolívar. <ul style="list-style-type: none"> ▪ High School.
Courses	National Polytechnic Institute <ul style="list-style-type: none"> ▪ Language C / ++ and OOP structured. La Salle University <ul style="list-style-type: none"> ▪ Java object-oriented language, level - basic. ▪ SQL Programming ▪ J2ME Mobile Applications ▪ Network Management and configuration of CISCO Routers SIGA Group <ul style="list-style-type: none"> ▪ Web Applications with J2EE and J2SE, level - advanced. Monterrey University <ul style="list-style-type: none"> ▪ Mechatronics Technology Seminar
Languages	English <ul style="list-style-type: none"> ▪ 80% fluent spoken Spanish <ul style="list-style-type: none"> ▪ 100% native language
Skills	<ul style="list-style-type: none"> ▪ Self-taught person ▪ Innovative ▪ Empathetic ▪ Positive attitude under pressure ▪ Pro-active
Achievements	<ul style="list-style-type: none"> ▪ First place in the contest X physics 2002. ▪ First place in the 2nd OO programming contest 2004. ▪ Second place in the 3rd programming contest 2005.
